Dear Sir/Madam,

Edinburgh University Rifle Club Membership

Under current legislation laid down by the Home Office, each new member of the Rifle Club must be confirmed as members of the University, and as such have their application counter-signed by their Director of Studies or similar appropriate referee.

I would therefore ask if you could kindly sign below to confirm that the student named is a fully matriculated student at the University of Edinburgh. I would like to stress that you are in no way signing a document with regards to their actions, and are simply confirming the status as a student member of the University of Edinburgh.

If you have any questions, please do not hesitate to contact me via email or through the Sports Union office.

Yours Faithfully,

The Secretary
